

## ALL ARE WELCOME HERE

- \*Please silence all cell phones during the service.
- \*Hearing assistance receivers are available from an usher.
- \*All must enter the building and auditorium with a mask on, regardless of vaccination status. Please keep your mask on until you exit the building. Masks are available from an usher if you do not have one. Thank you for doing your part to protect those most vulnerable in our midst.
- \*In an effort to keep everyone safe, the family/children's pew is not accessible at this time for mixed household use. The children must sit in the pew with the caregiver that brought them to church. Children are welcome to pick up a bag of crayons and paper for use during the service.
- \*We will not be singing because The Center for Disease Control (CDC) recommends people be 12 feet apart when there are unvaccinated people singing in attendance. Not everyone in attendance is vaccinated, and we do not want to deny their presence as we praise God.
- \*When there is a parking ban in the City of Providence due to inclement weather, church services and other activities held at the church will be cancelled until the parking ban is lifted. Please tune into your local television and radio stations.
- \*Looking for a church home? Please write your contact information on one of our pew pads and visit our website.
